

Purpose

For this assignment, you will work in groups of 2-3. For 3 weeks, you will be required to meet at least once a week for 30-minutes. You will work with your groups and discuss current issues regarding our course, such as lecture content, assignments, study skills, etc. You will report on what was completed for each meeting by submitting 3 “Accountability Group Journal” entries.

Tasks

Step 1: Pick your group or ask me to assign you a group

Step 2: Exchange contact information and discuss the time and place you will meet. **If you cannot meet in person or online for one week, maintain ongoing communication through email or text. Ensure the communication is ongoing so it accounts for a 30-minute meeting.**

Step 3: Meet with your peers

Step 4: Download the “Accountability Group Journal Entry” form

Step 5: Complete the entry as a group

Step 6: You will repeat this process for the other two entries

Step 7: Submit the three journal entries. **Remember, you will need to provide three different journal entries.** This means that after completing entry #1, you will need to complete two other entries using the template I provided. **What you discuss should be related to our specific course and no other classes.**
